SUBJECTS • SUJETS

Acquired immunodeficiency syndrome

- Barriers and facilitators to participation in work among Canadian women living with HIV/AIDS. Barkey, V., Watanabe, E., Solomon, P., & Wilkins, S. 76(4): 269-275.

Advocacy

- Contributing to operations of community agencies through integrated fieldwork experiences. Klinger, L., & Bossers, A. 76(3): 171-179.

Aging

- Client-centred home modifications improve daily activity performance of older adults. Stark, S., Landsbaum, A., Palmer, J., Somerville, E. K., & Morris, J. C. 76(special issue): 235-245.

Aging policy

- Bridging research and policy in aging: Issues of structure, process and communication. Martin-Matthews, A. 76(special issue): 228-234.

Assistive devices

- Criterion validity of a home health aides' algorithm for recommending bathroom equipment. Guay, M., Desrosiers, J., & Dubois, M.-F. 76(special issue): 246-256.

Awareness

- Capturing presence moments: The art of mindful practice in occupational therapy. Reid, D. 76(3): 180-188.

Blacks

- The impact of everyday racism on the occupations of African Canadian women. Beagan, B. L., & Etowa, J. 76(4): 285-293.

Brain injuries

- Evaluating work readiness following acquired brain injury: Building a shared understanding. Stergiou-Kita, M., Rappolt, S., Kirsh, B., & Shaw, L. 76(4): 276-284.

Brain injury

- Using the Cognitive Orientation to Occupational Performance (CO-OP) with adults with executive dysfunction following traumatic brain injury. Dawson, D. R., Gaya, A., Hunt, A., Levine, B., Lemsky, C., & Polatajko, H. J. 76(2): 115-127.

Case study

- Children with disabilities' perceptions of activity participation and environments: A pilot study. Harding, J., Harding, K., Jamieson, P., Mullally, M., Politi, C., Wong-Sing, E., Law, M., & Petrenchik, T. M. 76(3): 133-144.

Cerebral palsy

- An analysis of constraints on access to augmentative communication in cerebral palsy. Costigan, F. A., & Newell, K. M. 76(3): 153-161.

Cerebrovascular accident

- Stroke patients' experience with the Australian health system: A qualitative study. White, J. H., Magin, P., & Pollack, M. R. P. 76(2): 81-89.

Child

Addressing pediatric wait times using the model of human performance technology. Hoyt-Hallett, G., Beckers, K., Enman, M., & Betuzzi, C. 76(special issue): 219-227.

Child health policy

Commentary on child health and well-being ... the policy-research interface. Reynolds, N. 76(special issue): 199-201.

Children

Children with disabilities' perceptions of activity participation and environments: A pilot study. Harding, J., Harding, K., Jamieson, P., Mullally, M., Politi, C., Wong-Sing, E., Law, M., & Petrenchik, T. M. 76(3): 133-144.

Identifying occupational issues among children with intractable epilepsy: Individualized versus norm-referenced approaches. Fayed, N., & Kerr, E. N. 76(2): 90-97.

Children and youth

Commentary on child health and well-being ... the policy-research interface. Reynolds, N. 76(special issue): 199-201.

Children with disabilities

Friendship experiences among children with disabilities who attend mainstream Australian schools. Morrison, R., & Burgman, I. 76(3): 145-152.

Clinical reasoning

How interdisciplinary pediatric practitioners choose assessments. Kramer, J., Bowyer, P., O'Brien, J., Kielhofner, G., & Maziero-Barbosa, V. 76(1): 56-64.

Clinical theory application

A framework for combining theoretical conceptual practice models in occupational therapy practice. Ikiugu, M. N., Smallfield, S., & Condit, C. 76(3): 162-170.

Cognition

Using the Cognitive Orientation to Occupational Performance (CO-OP) with adults with executive dysfunction following traumatic brain injury. Dawson, D. R., Gaya, A., Hunt, A., Levine, B., Lemsky, C., & Polatajko, H. J. 76(2): 115-127.

Cognitive intervention

Exploring a cognitive intervention for children with pervasive developmental disorder. Phelan, S., Steinke, L., & Mandich, A. 76(1): 23-28.

Collaboration

A critical examination of school-based occupational therapy collaborative consultation. Villeneuve, M. 76(special issue): 206-218.

Communication aids for the disabled

An analysis of constraints on access to augmentative communication in cerebral palsy. Costigan, F. A., & Newell, K. M. 76(3): 153-161.

Community development

Contributing to operations of community agencies through integrated fieldwork experiences. Klinger, L., & Bossers, A. 76(3): 171-179.

Community health services

Criterion validity of a home health aides' algorithm for recommending bathroom equipment. Guay, M., Desrosiers, J., & Dubois, M.-F. 76(special issue): 246-256.

Competence-environmental press framework

Client-centred home modifications improve daily activity performance of older adults. Stark, S., Landsbaum, A., Palmer, J., Somerville, E. K., & Morris, J. C. 76(special issue): 235-245.

Conceptual framework

A framework for combining theoretical conceptual practice models in occupational therapy practice. Ikiugu, M. N., Smallfield, S., & Condit, C. 76(3): 162-170.

An analysis of constraints on access to augmentative communication

in cerebral palsy. Costigan, F. A., & Newell, K. M. 76(3): 153-161.

Consultation

A critical examination of school-based occupational therapy collaborative consultation. Villeneuve, M. 76(special issue): 206-218.

CO-OP

Using the Cognitive Orientation to Occupational Performance (CO-OP) with adults with executive dysfunction following traumatic brain injury. Dawson, D. R., Gaya, A., Hunt, A., Levine, B., Lemsky, C., & Polatajko, H. J. 76(2): 115-127.

Critical thinking

Sacred texts: A sceptical exploration of the assumptions underpinning theories of occupation. Hammell, K. W. 76(1): 6-13.

Cultural competence

The impact of everyday racism on the occupations of African Canadian women. Beagan, B. L., & Etowa, J. 76(4): 285-293.

Cultural diversity

The impact of everyday racism on the occupations of African Canadian women. Beagan, B. L., & Etowa, J. 76(4): 285-293.

Culture

Sacred texts: A sceptical exploration of the assumptions underpinning theories of occupation. Hammell, K. W. 76(1): 6-13.

Les textes sacrés: un examen sceptique des hypothèses qui sous-tendent les théories sur l'occupation. Hammell, K. W. 76(1): 14-22.

Death

Lessons in living and dying from my first patient: An autoethnography. Warne, K. E., & Hoppes, S. 76(4): 309-316.

Disability

Children with disabilities' perceptions of activity participation and environments: A pilot study. Harding, J., Harding, K., Jamieson, P., Mullally, M., Politi, C., Wong-Sing, E., Law, M., & Petrenchik, T. M. 76(3): 133-144.

Education

Lessons in living and dying from my first patient: An autoethnography. Warne, K. E., & Hoppes, S. 76(4): 309-316.

Enfants et jeunes

Commentaire sur la santé et le bien-être de l'enfant ... l'interface entre la politique et la recherche. Reynolds, N. 76(special issue): 202-205.

Environmental modifications

Client-centred home modifications improve daily activity performance of older adults. Stark, S., Landsbaum, A., Palmer, J., Somerville, E. K., & Morris, J. C. 76(special issue): 235-245.

Epilepsy

Identifying occupational issues among children with intractable epilepsy: Individualized versus norm-referenced approaches. Fayed, N., & Kerr, E. N. 76(2): 90-97.

Evidence-based practice

Commentary on child health and well-being ... the policy-research interface. Reynolds, N. 76(special issue): 199-201.

Practice style traits of student occupational therapists and physical therapists. Hadouda, S., Laroui, H. R., Lemay, A., Martin, B., Korner-Bitensky, N., Menon, A., Storr, C., Asseraf-Pasin, L., & Ahmed, S. 76(2): 98-106.

Executive dysfunction

Using the Cognitive Orientation to Occupational Performance (CO-OP) with adults with executive dysfunction following traumatic brain injury. Dawson, D. R., Gaya, A., Hunt, A., Levine, B., Lemsky, C., & Polatajko, H. J. 76(2): 115-127.

Exercise

The psychosocial effects of exercise and relaxation classes for persons surviving a stroke. Carin-Levy, G., Kendall, M., Young, A., & Mead, G. 76(2): 73-80.

Family-centred care

Addressing pediatric wait times using the model of human performance technology. Hoyt-Hallett, G., Beckers, K., Enman, M., & Betuzzi, C. 76(special issue): 219-227.

Friendship

Friendship experiences among children with disabilities who attend mainstream Australian schools. Morrison, R., & Burgman, I. 76(3): 145-152.

Geriatrics

Uses of the National Rehabilitation Reporting System: Perspective of geriatric rehabilitation clinicians. Wells, J. L., Egan, M., Byrne, K., Jaglal, S., Dumbrell, A. C., & Stolee, P. 76(4): 294-298.

Health care policy

Bridging research and policy in aging: Issues of structure, process and communication. Martin-Matthews, A. 76(special issue): 228-234.

Health informatics

Uses of the National Rehabilitation Reporting System: Perspective of geriatric rehabilitation clinicians. Wells, J. L., Egan, M., Byrne, K., Jaglal, S., Dumbrell, A. C., & Stolee, P. 76(4): 294-298.

Health resource utilization

Uses of the National Rehabilitation Reporting System: Perspective of geriatric rehabilitation clinicians. Wells, J. L., Egan, M., Byrne, K., Jaglal, S., Dumbrell, A. C., & Stolee, P. 76(4): 294-298.

Health sciences education

Factors predicting applicant outcomes in occupational therapy education. Lysaght, R., Donnelly, C., & Villeneuve, M. 76(1): 38-47.

Hip fractures

Uses of the National Rehabilitation Reporting System: Perspective of geriatric rehabilitation clinicians. Wells, J. L., Egan, M., Byrne, K., Jaglal, S., Dumbrell, A. C., & Stolee, P. 76(4): 294-298.

Home environment

Client-centred home modifications improve daily activity performance of older adults. Stark, S., Landsbaum, A., Palmer, J., Somerville, E. K., & Morris, J. C. 76(special issue): 235-245.

Home health aides

Criterion validity of a home health aides' algorithm for recommending bathroom equipment. Guay, M., Desrosiers, J., & Dubois, M.-F. 76(special issue): 246-256.

Human behavioural ecology

Hunter-gatherers and the behavioural ecology of human occupation. Hudson, M. J., & Aoyama, M. 7(1): 48-55.

Human immunodeficiency virus

Barriers and facilitators to participation in work among Canadian women living with HIV/AIDS. Barkey, V., Watanabe, E., Solomon, P., & Wilkins, S. 76(4): 269-275.

Hunter-gatherers

Hunter-gatherers and the behavioural ecology of human occupation. Hudson, M. J., & Aoyama, M. 7(1): 48-55.

Hygiene criterion validity

Criterion validity of a home health aides' algorithm for recommending bathroom equipment. Guay, M., Desrosiers, J., & Dubois, M.-F. 76(special issue): 246-256.

Indigenous occupational therapy

Hunter-gatherers and the behavioural ecology of human occupation. Hudson, M. J., & Aoyama, M. 7(1): 48-55.

Integrated fieldwork

Contributing to operations of community agencies through integrated fieldwork experiences. Klinger, L., & Bossers, A. 76(3): 171-179.

Knowledge translation

Practice style traits of student occupational therapists and physical

therapists. Hadouda, S., Laroui, H. R., Lemay, A., Martin, B., Korner-Bitensky, N., Menon, A., Storr, C., Asseraf-Pasin, L., & Ahmed, S. 76(2): 98-106.

Mainstream school

Friendship experiences among children with disabilities who attend mainstream Australian schools. Morrison, R., & Burgman, I. 76(3): 145-152.

Mindfulness

Capturing presence moments: The art of mindful practice in occupational therapy. Reid, D. 76(3): 180-188.

Minority groups

The impact of everyday racism on the occupations of African Canadian women. Beagan, B. L., & Etowa, J. 76(4): 285-293.

Modèles

Les textes sacres: un examen sceptique des hypotheses qui sous-tendent les theories sur l'occupation. Hammell, K. W. 76(1): 14-22.

Models

Sacred texts: A sceptical exploration of the assumptions underpinning theories of occupation. Hammell, K. W. 76(1): 6-13.

Motor learning

A reflection on motor learning theory in pediatric occupational therapy practice. Zwicker, J. G., & Harris, S. R. 76(1): 29-37.

Motor skills

An analysis of constraints on access to augmentative communication in cerebral palsy. Costigan, F. A., & Newell, K. M. 76(3): 153-161.

Exploring a cognitive intervention for children with pervasive developmental disorder. Phelan, S., Steinke, L., & Mandich, A. 76(1): 23-28.

Needs assessment

Criterion validity of a home health aides' algorithm for recommending bathroom equipment. Guay, M., Desrosiers, J., & Dubois, M.-F. 76(special issue): 246-256.

Occupation

Self-care, productivity, and leisure, or dimensions of occupational experience? Rethinking occupational "categories." Hammell, K. W. 76(2): 107-114.

Occupational diversification

Hunter-gatherers and the behavioural ecology of human occupation. Hudson, M. J., & Aoyama, M. 7(1): 48-55.

Occupational therapy

A critical examination of school-based occupational therapy collaborative consultation. Villeneuve, M. 76(special issue): 206-218.

A reflection on motor learning theory in pediatric occupational therapy practice. Zwicker, J. G., & Harris, S. R. 76(1): 29-37.

Addressing pediatric wait times using the model of human performance technology. Hoyt-Hallett, G., Beckers, K., Enman, M., & Betuzzi, C. 76(special issue): 219-227.

Barriers and facilitators to participation in work among Canadian women living with HIV/AIDS. Barkey, V., Watanabe, E., Solomon, P., & Wilkins, S. 76(4): 269-275.

Occupational therapy: A thread that weaves a lifetime. Korner-Bitensky, N. 76(4): 263-266.

Practice style traits of student occupational therapists and physical therapists. Hadouda, S., Laroui, H. R., Lemay, A., Martin, B., Korner-Bitensky, N., Menon, A., Storr, C., Asseraf-Pasin, L., & Ahmed, S. 76(2): 98-106.

Occupational therapy assessment

Evaluating work readiness following acquired brain injury: Building a shared understanding. Stergiou-Kita, M., Rappolt, S., Kirsh, B., & Shaw, L. 76(4): 276-284.

Identifying occupational issues among children with intractable

epilepsy: Individualized versus norm-referenced approaches. Fayed, N., & Kerr, E. N. 76(2): 90-97.

Occupational therapy practice

Capturing presence moments: The art of mindful practice in occupational therapy. Reid, D. 76(3): 180-188.

Occupational therapy theory

Sacred texts: A sceptical exploration of the assumptions underpinning theories of occupation. Hammell, K. W. 76(1): 6-13.

Older adults

Bridging research and policy in aging: Issues of structure, process and communication. Martin-Matthews, A. 76(special issue): 228-234.

Outcomes

Stroke patients' experience with the Australian health system: A qualitative study. White, J. H., Magin, P., & Pollack, M. R. P. 76(2): 81-89.

Paediatric occupational therapy

Paediatric occupational therapists' reflections on meaning in professional practice: A phenomenological study. Trenc Smith, K., & Kinsella, E. A. 76(4): 299-308.

Palliative care

Lessons in living and dying from my first patient: An autoethnography. Warne, K. E., & Hoppes, S. 76(4): 309-316.

Participation

Children with disabilities' perceptions of activity participation and environments: A pilot study. Harding, J., Harding, K., Jamieson, P., Mullally, M., Politi, C., Wong-Sing, E., Law, M., & Petrenchik, T. M. 76(3): 133-144.

Participation assessment

How interdisciplinary pediatric practitioners choose assessments. Kramer, J., Bowyer, P., O'Brien, J., Kielhofner, G., & Maziero-Barbosa, V. 76(1): 56-64.

Pediatric assessment

How interdisciplinary pediatric practitioners choose assessments. Kramer, J., Bowyer, P., O'Brien, J., Kielhofner, G., & Maziero-Barbosa, V. 76(1): 56-64.

Pediatric practice

A reflection on motor learning theory in pediatric occupational therapy practice. Zwicker, J. G., & Harris, S. R. 76(1): 29-37.

Pensée critique

Les textes sacrés: un examen sceptique des hypothèses qui sous-tendent les théories sur l'occupation. Hammell, K. W. 76(1): 14-22.

Personnes âgées

Établir un pont entre la recherche et les politiques sur le vieillissement : les enjeux associés à la structure, au uprocessus et à la communication. Martin-Matthews, A. 76(special issue): 231-234.

Pervasive developmental disorders

Exploring a cognitive intervention for children with pervasive developmental disorder. Phelan, S., Steinke, L., & Mandich, A. 76(1): 23-28.

Phenomenology

Friendship experiences among children with disabilities who attend mainstream Australian schools. Morrison, R., & Burgman, I. 76(3): 145-152.

Paediatric occupational therapists' reflections on meaning in professional practice: A phenomenological study. Trenc Smith, K., & Kinsella, E. A. 76(4): 299-308.

Photographs

Children with disabilities' perceptions of activity participation and environments: A pilot study. Harding, J., Harding, K., Jamieson, P., Mullally, M., Politi, C., Wong-Sing, E., Law, M., & Petrenchik, T. M. 76(3): 133-144.

Physical therapy

Practice style traits of student occupational therapists and physical therapists. Hadouda, S., Laroui, H. R., Lemay, A., Martin, B., Korner-Bitensky, N., Menon, A., Storr, C., Asseraf-Pasin, L., & Ahmed, S. 76(2): 98-106.

Politique en matière de santé

Établir un pont entre la recherche et les politiques sur le vieillissement : les enjeux associés à la structure, au uprocessus et à la communication. Martin-Matthews, A. 76(special issue): 231-234.

Politique relative à la santé des enfants

Commentaire sure la santé et le bien-être de l'enfant ... l'interface entre la politique et la recherche. Reynolds, N. 76(special issue): 202-205.

Politique sur le vieillissement

Établir un pont entre la recherche et les politiques sur le vieillissement : les enjeux associés à la structure, au uprocessus et à la communication. Martin-Matthews, A. 76(special issue): 231-234.

Post-colonial theory

Sacred texts: A sceptical exploration of the assumptions underpinning theories of occupation. Hammell, K. W. 76(1): 6-13.

Post-stroke depression

Stroke patients' experience with the Australian health system: A qualitative study. White, J. H., Magin, P., & Pollack, M. R. P. 76(2): 81-89.

Practice behaviours

Practice style traits of student occupational therapists and physical therapists. Hadouda, S., Laroui, H. R., Lemay, A., Martin, B., Korner-Bitensky, N., Menon, A., Storr, C., Asseraf-Pasin, L., & Ahmed, S. 76(2): 98-106.

Pratique fondée sur les faits scientifiques

Commentaire sure la santé et le bien-être de l'enfant ... l'interface entre la politique et la recherche. Reynolds, N. 76(special issue): 202-205.

Problem solving

Using the Cognitive Orientation to Occupational Performance (CO-OP) with adults with executive dysfunction following traumatic brain injury. Dawson, D. R., Gaya, A., Hunt, A., Levine, B., Lemsky, C., & Polatajko, H. J. 76(2): 115-127.

Professional practice

Paediatric occupational therapists' reflections on meaning in professional practice: A phenomenological study. Trenc Smith, K., & Kinsella, E. A. 76(4): 299-308.

Program design

Hunter-gatherers and the behavioural ecology of human occupation. Hudson, M. J., & Aoyama, M. 7(1): 48-55.

Psychosocial benefits

The psychosocial effects of exercise and relaxation classes for persons surviving a stroke. Carin-Levy, G., Kendall, M., Young, A., & Mead, G. 76(2): 73-80.

Qualitative research

Stroke patients' experience with the Australian health system: A qualitative study. White, J. H., Magin, P., & Pollack, M. R. P. 76(2): 81-89.

Qualitative studies

Evaluating work readiness following acquired brain injury: Building a shared understanding. Stergiou-Kita, M., Rappolt, S., Kirsh, B., & Shaw, L. 76(4): 276-284.

Qualitative study

The psychosocial effects of exercise and relaxation classes for persons surviving a stroke. Carin-Levy, G., Kendall, M., Young, A., & Mead, G. 76(2): 73-80.

Race factors

The impact of everyday racism on the occupations of African Canadian women. Beagan, B. L., & Etowa, J. 76(4): 285-293.

Racism

The impact of everyday racism on the occupations of African Canadian women. Beagan, B. L., & Etowa, J. 76(4): 285-293.

Reflection

Capturing presence moments: The art of mindful practice in occupational therapy. Reid, D. 76(3): 180-188.

Rehabilitation

Uses of the National Rehabilitation Reporting System: Perspective of geriatric rehabilitation clinicians. Wells, J. L., Egan, M., Byrne, K., Jaglal, S., Dumbrell, A. C., & Stolee, P. 76(4): 294-298.

Using the Cognitive Orientation to Occupational Performance (CO-OP) with adults with executive dysfunction following traumatic brain injury. Dawson, D. R., Gaya, A., Hunt, A., Levine, B., Lemsky, C., & Polatajko, H. J. 76(2): 115-127.

Rehabilitation, vocational

Evaluating work readiness following acquired brain injury: Building a shared understanding. Stergiou-Kita, M., Rappolt, S., Kirsh, B., & Shaw, L. 76(4): 276-284.

Relaxation

The psychosocial effects of exercise and relaxation classes for persons surviving a stroke. Carin-Levy, G., Kendall, M., Young, A., & Mead, G. 76(2): 73-80.

School health services

A critical examination of school-based occupational therapy collaborative consultation. Villeneuve, M. 76(special issue): 206-218.

Service delivery models

Addressing pediatric wait times using the model of human performance technology. Hoyt-Hallett, G., Beckers, K., Enman, M., & Betuzzi, C. 76(special issue): 219-227.

Stroke

The psychosocial effects of exercise and relaxation classes for persons surviving a stroke. Carin-Levy, G., Kendall, M., Young, A., & Mead, G. 76(2): 73-80.

Student education

Practice style traits of student occupational therapists and physical therapists. Hadouda, S., Laroui, H. R., Lemay, A., Martin, B., Korner-Bitsensky, N., Menon, A., Storr, C., Asseraf-Pasin, L., & Ahmed, S. 76(2): 98-106.

Student retention

Factors predicting applicant outcomes in occupational therapy education. Lysaght, R., Donnelly, C., & Villeneuve, M. 76(1): 38-47.

Student selection

Factors predicting applicant outcomes in occupational therapy education. Lysaght, R., Donnelly, C., & Villeneuve, M. 76(1): 38-47.

Theoretical models

A framework for combining theoretical conceptual practice models in occupational therapy practice. Ikiugu, M. N., Smallfield, S., & Condit, C. 76(3): 162-170.

Théorie en ergothérapie

Les textes sacrés: un examen sceptique des hypothèses qui sous-tendent les théories sur l'occupation. Hammell, K. W. 76(1): 14-22.

Théorie post-coloniale

Les textes sacrés: un examen sceptique des hypothèses qui sous-tendent les théories sur l'occupation. Hammell, K. W. 76(1): 14-22.

Theory

A reflection on motor learning theory in pediatric occupational therapy practice. Zwicker, J. G., & Harris, S. R. 76(1): 29-37.

Self-care, productivity, and leisure, or dimensions of occupational experience? Rethinking occupational "categories." Hammell, K.

W. 76(2): 107-114.

Waitlist management

Addressing pediatric wait times using the model of human performance technology. Hoyt-Hallett, G., Beckers, K., Enman, M., & Betuzzi, C. 76(special issue): 219-227.

Well-being

Self-care, productivity, and leisure, or dimensions of occupational experience? Rethinking occupational "categories." Hammell, K. W. 76(2): 107-114.

Women

Barriers and facilitators to participation in work among Canadian women living with HIV/AIDS. Barkey, V., Watanabe, E., Solomon, P., & Wilkins, S. 76(4): 269-275.

Work

Barriers and facilitators to participation in work among Canadian women living with HIV/AIDS. Barkey, V., Watanabe, E., Solomon, P., & Wilkins, S. 76(4): 269-275.

Work capacity evaluation

Evaluating work readiness following acquired brain injury: Building a shared understanding. Stergiou-Kita, M., Rappolt, S., Kirsh, B., & Shaw, L. 76(4): 276-284.
